

Myhajlo Selezinka was born in Ivano-Frankivs'k in the West of Ukraine. Graduated from the Lviv Polytechnic Institute (architecture). Member of the Artists' Union of Ukraine. Exhibited works in Latvia (Biennale 1975), Japan (Art of Ukraine 1983), USA (International Biennale 1986, Modern Ukrainian Art 1992), Ukraine (Personal Jubilee Exhibition 2002).

Myhajlo says that there are many people who believe in God, but there are only few God believes in. If power, hedonism, dawdling coexist with purity, care, humbleness and poverty, it is not God to blame, but human anger.
